

Who were the Prophets?

A prophet is a fearless person who loves God very much and who is not afraid to speak out on behalf of God who loves us!

A prophet is full of strength. He brings hope and direction to the people, especially when they are tired and hurt and need somebody strong to speak up for them and lead them.

St. John the Baptist was a prophet. He told everyone that Jesus was coming and that they must prepare and be ready for him, changing the way they lived so they became friends with God. He was like 'a voice calling in the wilderness of life' to guide people back onto the right path.

Before St John the Baptist, Moses was a prophet. A prophet is not frightened to call people to love God. A prophet inspires people and gives them new hope.
